# Your unique Marketing Portfolio – exclusive for Exhibitors

1

## Contact your customer for a presentation of a case study! – At no cost

As an exhibitor you can also take advantage of the opportunity to let your customer present a project/case study in the PharmaCongress main programme.

For that purpose please contact your customers and submit your proposal for presenting your customer project. **Important:** the customer, i.e. an employee of the pharmaceutical company, should present the project. Under certain circumstances, you can also present together with the client. The PharmaCongress focuses on case studies from pharmaceutical companies. You can submit your proposal until 31 July 2024

2

## Book a Live Demo at the Expo – 1,590,- Euro

Do you want to present your latest technology trends? E.g. you can explain your equipment by showing a simulation or you bring your equipment to the PharmaTechnica Expo.

3

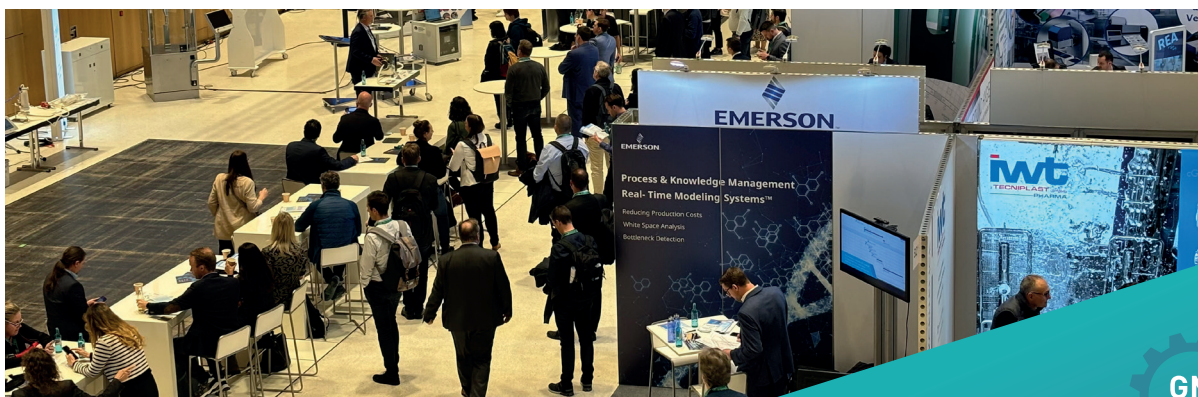

## Present your latest developments at GMP Online Forum – At 990 Euro for exhibitors!

Prepare a video presentation of about 15 to 20 minutes length and send the file to us. We will upload the video and send the video link to all participants! You can submit your proposal until 31 December 2024.

4

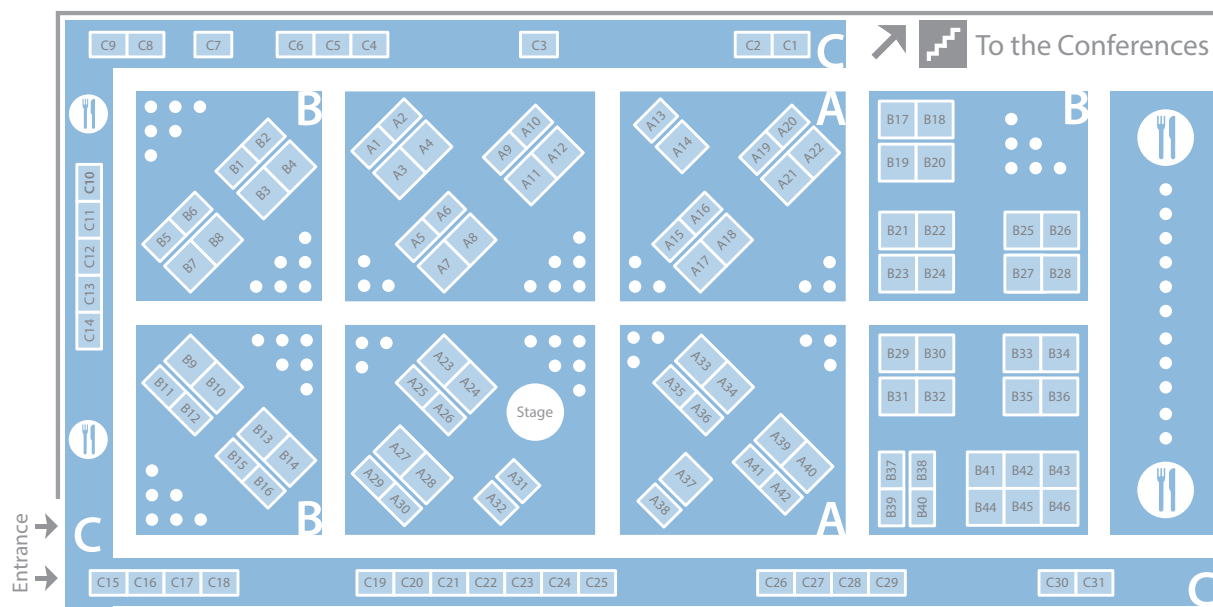

## Sponsoring at PharmaTechnica Expo

Do you want to draw the attention of all visitors to your company? We offer different sponsoring opportunities. You sponsor the lanyards for the name badges or conference bags but you can also sponsor a cocktail bar at your stand. Make your decision as soon as possible as many sponsoring options are already booked up!

# The Expo Hall

Most of the exhibition stands are already booked up. Please check at [www.pharmatechnica.com](http://www.pharmatechnica.com) which exhibition stands are still available and make your booking online.
